IRON MAN WON PENNANT FOR JONES TEN YEARS AGO! WILL IRON MAN DO IT AGAIN?

BY HAROLD JOHNSON
Will another arm of steel upset the dope in the American league this season as it did in 1906 when Big Ed Walsh hit his stride with the race half run, and, finished a cyclone, swept Filder Jones' White Sox to the world's championship?
This same Jones is in the race this year and again he is blessed with an iron man.
Dave Davenport has put the St. Louis Browns in the running.
Davenport's return to the mound in the second half of a recent doubleheader did not surprise fans for a year ago, almost to a day, he worked two games in a Federal league series.
But when Dave, after beating the Yankees in the opener, allowing four hits, came back and copped the other pieces 10,000 pop-eyed partisans went wild.
Davenport has the ideal build for pitching. He measures 6 feet 5 inches and has long, sweeping arms that

make speed. When he was with Cincinnati in 1914 he was called the Walter Johnson of the National league.
Reporting to Jones the lanky right-hander was put through the curving sprouts scientific angles with Jones recommending that Dave add a slow curve to his smoke-ball delivery. The change in his style is what made him the pitcher who may decide the league race.
Pitching doubleheaders hasn't been done to any marked degree since the days of Rube Waddell. Dave told me he came to perform double duty.
Jones said when I won from the Athletics, three days before the Yankees reached St. Louis that if I kept in shape he would pitch me in both games against New York, he said. I felt great all through the first game and we won.
As I was leaving the field between games Jones told me he was going to send me back. I changed my shirt and was ready.

One Minute Talks with Ballplayers

AL WALTERS, NEW YORK YANKEES:

"I became a catcher by accident; not by choice. When I broke into baseball with the Portland, Pacific Coast league club, I was an outfielder, and as such was released to Saskatoon. In an exhibition game at Saskatoon the opposing club was so weak that our manager loaned his star battery to the visitors and picked me to catch for the home team. I got by in good shape and have since been a catcher. "I have only played professional ball three years and during that time have been on three pennant winning teams. Saskatoon won the Western Canada league flag in 1913 and 1914 while I was there, and I also was a member of the Waco club which won

the pennant in the Texas league in 1915."

GEORGE STALLINGS, MANAGER BOSTON BRAVES:

"You don't have to call an umpire all the names in the calendar to draw a suspension. I got three days off for just remarking to Rigler that he ought to go to jail for umpiring a game like he did the other day.
"Nothing that I could say or do would make any difference. What I can say through right now is that the action of President Tener, coming as it does, with the race so close, appears peculiar to say the least.
"Without any bragadacio I can say that my suspension will cripple my club considerably. I know what my presence means to the club and so does President Tener."

COLTS HAD TO PLAY 10 MEN YESTERDAY

Rotten Umpiring Responsible for Defeat by Clarksburg.

The Burres' Colts met their second defeat of the season at South Side park yesterday when the strong Clarksburg team defeated them in a fast nine innings of baseball. The Colts started off like winners and scored two in the first inning but this was their limit. The Clarksburg boys came strong and beat them out by the score of 5 to 2. The Colts had every opportunity to win by the errors that the Clarksburg boys made but failed to take advantage of them. One man hit an infield hit and was across first base and turning around before the first baseman received the ball but the umpire called the runner out. Another time a runner stole third and was sitting on the bag when the third baseman touched him and the umpire also called him out. The umpire dodged the mob and hurried to town.

The game between the B. & O. Freight house and the Hopewell team that was scheduled for last evening was called off on account of the rain. The Freight house boys were anxious to play and were sure they would have won.

The Fairmont All-Stars and the Burres' Colts baseball teams will play for the championship of the city tomorrow afternoon at South Side park. The game is scheduled to start at three o'clock sharp. The All-stars are prepared for the Colts and expect to have an easy time winning.
Trader of Monongah, will most likely pitch for the Stars and with out a doubt the Colts will bring a star pitcher here from some other town.

Next Saturday afternoon Fairmont will have another opportunity to see the fast Grafton Baltimore and Ohio team in action. The Grafton boys and the Connellsville boys will play at South Side park. The game is scheduled to start at three o'clock sharp. The Connellsville boys have quite a record for this year. Twenty-three games have been played and only two lost. This is a mighty good record and when the Grafton boys meet them they will be up against the toughest kind of a job. The Connellsville team is made up of some of the big league players and these boys are responsible for the showing this season.

SPORT NOTES

According to the Geological Survey \$114,000,000 was paid for junk in Uncle Sam's domain last year. The names of the players were not made public, however.

Bobby Wallace is back on third base for the Browns. Bobby cast his first vote for John Quincy Adams!

Bill Donovan has two monikers, Wild Bill and Smiling Bill. Right now his mail should be addressed to WILD BILL!

Dispatches from abroad indicate that Pierre La Cassel, the latest French
